

Product Name: Compresor de tornillo 4 en 1, contiene compresor de tornillo, acumulador, secador y filtros de linea.

Model : MCS-7.5

|                        |           |                                   |
|------------------------|-----------|-----------------------------------|
| Working Pressure       | Bar       | 8/10                              |
| Free Air Delivery      | m3/min    | 1.1/0.9                           |
| Inlet Temperature      | °C        | Under atmospheric pressure 2-40°C |
| Outlet Temperature     | °C        | Ambient Temperature+15°C          |
| Drive Mode             |           | Direct Drive                      |
| Rotor Speed            | rpm       | 2930/3000                         |
| Motor Power            | kw        | 7.5KW/10HP                        |
| Exhaust Oil Volum      | ppm       | ≤3ppm                             |
| Cooling Method         |           | Air Cooling                       |
| Noise                  | dB(A)     | 65±2                              |
| Motor Insulation Class |           | F                                 |
| Motor Protection Level |           | IP55                              |
| Air Tank               | L         | 300                               |
| Regrigerant            |           | R134A                             |
| Dimension              | L×W×H(mm) | 1640*680*1370                     |
| Outlet Pipe Diameter   |           | G1/2                              |
| Weight                 | Kg        | 330                               |
| Power Voltage          | PH/V/HZ   | 380v 50hz 3ph                     |
| Starting Mode          |           | Star-delta Start                  |
